Reviews and Ratings

Over the years, Naxos recordings have received outstanding critical acclaim in virtually every specialized and general-interest publication around the world. In this catalogue we are only listing ratings which summarize a more detailed review in a single number or a single rating. Our recordings receive favourable reviews in many other publications which, however, do not use a simple, easy to understand rating system.

Penguin Guide: More than half of all current Naxos recordings are included in various editions of the authoritative Penguin Guide. The very highest rating is **** with a Ⓢ awarded only to recordings of exceptional quality. Otherwise, the **** rating is the highest awarded to other recordings ... it means that a recording features an outstanding performance and has equally outstanding sound. Brackets around one star signify a slight reservation regarding either sound or performance. In this catalogue we only list the Ⓢ****, Ⓢ***, ***, and *** recordings although many more of our recordings also received ** ratings, indicating a good performance and recording of today's normal high standard.

PG *** An outstanding performance and recording

PG Ⓢ*** An outstanding performance and recording in every way

PG Ⓢ→ A 'Key' recording which may be used as a basis for a personal collection

PG ***** A really exceptional issue on every count

Gramophone: This is the oldest monthly British magazine devoted to recorded music. It does not have a rating system and we can therefore only indicate which of our Naxos recordings were included in the monthly Editor's Choice category and which were pronounced Disc of the Month.

G Editor's Choice Gramophone Editor's Choice

G Month Gramophone Record of the Month

G AN Gramophone Award Nomination

BBC Music Magazine: Unlike Gramophone, the BBC Music Magazine is not primarily a publication devoted to recorded music but to music in general (as its title indicates). Nevertheless, the publication has been increasing its coverage of classical and other recordings and must now be considered a serious rival to Gramophone. The highest rating given to a recording is ☆ outstanding.

The Absolute Sound: Super CD

FOREWORD BY KLAUS HEYMANN, Founder, NAXOS

Since its foundation in 1987, Naxos has grown from a humble budget classical music label into a music-based media and distribution company which is the undisputed industry leader in terms of the depth and breadth of its catalogue and the number of new releases.

With subsidiaries in all important music markets, the Naxos group of companies is also now the leading distributor of independent classical CD and DVD labels and a pioneer in the digital distribution of classical music. In 2007, we launched the new download site www.classiconline.com which immediately began making an important contribution to the worldwide accessibility of classical music recordings. The Naxos catalogue, and other leading classical catalogues, became available in the unprotected MP3 format, the most convenient digital format, and in the high resolution of 320 kbps.

By the end of 2009, our catalogue will include close to 4,000 recordings, offering music lovers a veritable encyclopedia of classical music. On average, we release more than 20 titles per month, newly recorded in more than 20 countries – more than any other record label, independent or major.

As important as the sheer breadth of choice is the quality of Naxos's recordings. Naxos enjoys immense critical respect, as witnessed by more than 800 Penguin Guide 3-star recommendations and over 130 "Editor's Choices" in *Gramophone* magazine, dozens of excellent reviews from leading music publications and websites around the world, as well as thousands of enthusiastic letters and emails received every year from delighted customers.

A sense of adventure keeps us all fresh and innovative, too. In addition to superb new versions of the established core classics, we have made remarkable treasures accessible to adventurous music lovers – from British string quartets and 'Japanese Classical Favourites' to 20th-century American music and symphonies of the 18th century that have never been recorded before. We will never lose the joy of discovering and sharing something new with you.

Naxos is a label created, developed, marketed and distributed by music lovers for other music lovers; and, yes, we are serious about our music. Also, we know that a responsible market leader must do everything possible to develop the market as a whole. To this end, we invest heavily in educational projects to build tomorrow's audience.

In 2009, Naxos embarked on a thrilling project with the Royal Liverpool Philharmonic Orchestra and

its charismatic young conductor Vasily Petrenko to record a new cycle of Shostakovich Symphonies.

In 2009, Naxos also won three Grammy® Awards: *Best Chamber Music Performance* (Elliott Carter: String Quartets Nos. 1 & 5 / Pacifica Quartet 8.559362), *Best Classical Vocal Performance* and *Best Classical Contemporary Composition* (John Corigliano: Mr. Tambourine Man / Hila Piltmann, Buffalo Philharmonic Orchestra, JoAnn Falletta 8.559331). Naxos congratulates these artists for their outstanding achievements.

We are investing in exciting new digital delivery formats with our Naxos Music Library, which enables a university library or music faculty to offer students complete unlimited access to all Naxos and Marco Polo recordings [and the recordings of more than 100 other independent labels] at the click of a mouse. It has also become an invaluable resource for professional musicians, many of whom confess to not being able to live without the service anymore. The Naxos instinct for innovation ensures that it will continue as what the *Los Angeles Times* has called an "industry leader" in the digital distribution of music.

Our website www.naxos.com is driven by a highly sophisticated database which allows unprecedented access to information about musical works and about all the recordings in our catalogues; those who subscribe can listen to every single track. The site also offers information about other independent CD and DVD labels, making it a veritable portal for the world of recorded classical music. See page 4 for a quick guide to 'Navigating Through Naxos' to find the details you want.

Our dedication to classical music has been rewarded with unparalleled acclaim from the media.

The ongoing success which Naxos enjoys, especially during tough economic times, would not be possible without the dedication and support of our distributors, retailers and individual customers.

Making classical music more affordable and accessible has always been at the core of what we do and will remain so for many years to come.

Klaus Heymann
